Anointing Of The Sick

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage .

Reflections on Stewardship

"I am the good shepherd...and I lay down my life for the sheep...and they will heed my voice." John 10:14-16

When you pray, do you only ask Jesus for the things that you want? Do you ever ask Jesus what He wants from you? How do you listen for His response? Many times Jesus responds in "quiet whispers" that are not so obvious. So, take time every day, in silence, to actively listen for His voice.
