Anointing Of The Sick

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage .

Reflections on Stewardship

“Jesus, Himself, stood among them and said to them, ‘Peace be with you.’ But they were startled and frightened...”
Luke 24:36-37

Throughout the day we have many opportunities to “see the face of Jesus” in others and to “be the face of Jesus” to others. Do we take that opportunity to provide “peace” to those we encounter or are we afraid of what others will think of us and do nothing? Pray for the strength and courage to live a “God-centered” life and not a “self-centered” life.
