### **Anointing Of The Sick**

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage.

## Reflections on Stewardship

*“Jesus turned and saw them following him and said to them, “What are you looking for?” John 1:38*

When we recognize who we are, it's easier to find what we are looking for. Once we see ourselves, and others, as children of God, we spend less time looking for the material comforts of the world. Instead, our hearts long for something deeper that can only be filled by God. Ask God daily how He wants you to live the life He intended for you.
