Anointing Of The Sick

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage.

Reflections on Stewardship

"After John had been arrested, Jesus came to Galilee proclaiming the gospel of God...." Mark 1:14

Have you ever thought about how difficult it must have been for Jesus to go to Galilee, knowing that John had just been arrested for teaching the same message that He was proclaiming. It took great love and trust for Jesus to do what the Father had sent Him here on earth to do. In the same way, living a stewardship lifestyle takes great love and trust from us. We must be willing to surrender completely to God, trusting that He will always give us all that we need to fulfill His plan for us.
