Anointing Of The Sick

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage.

Reflections on Stewardship

**"...as the Lord has forgiven you, so you must forgive."
Colossians 3:13**

Forgiving is one of the hardest things for people to do. We can't give what we don't have. We need to receive God's mercy and forgiveness first before we can give it to others. Go to the sacrament of Reconciliation and receive God's mercy and forgiveness. Then, share the gift of forgiveness with someone—a family member, a friend or a co-worker. Pick up the phone or text someone right now.

Thank you to all the people who came to help get the church ready for Christmas. It takes a lot of work and hands to get things done. The more help, the easier it is and the less time it takes. We also want to thank everyone who donated to the Angel Tree and toys for the children. God will surely bless you abundantly for your help.
