Anointing Of The Sick

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage.

Reflections on Stewardship

“They fell down and worshipped him. Then they opened their treasures and offered Him gifts of gold, frankincense, and myrrh.”

Notice the order of events in the Magi's visit. First, they knelt before Jesus and prayed to Him. Then they presented Him with their gifts. We, too, must take time to pray before we present our gifts to the Lord. We never know what God may be asking us to share!

FISH FRY

Lent comes early this year. Thus, we need to organize for the Friday Fish Fry.

There will be meetings on Thursday, January 11, 18, 25, and February 5, at 7 p.m. in the Family Life Center.

The more people who come to help will make it easier for everyone.

Please consider volunteering.
